This was cheap and saved the sick sepoy a walk to the General Hospital and the matter was submitted on 29th April 1898 for orders .

Medical Treatment of the Sick Sowars and Sepoys at Mysore

Memo.No.16 of the 19th. February 1900, with previous Memoranda are resubmitted for favor of early orders, together with a reminder from the Chief Commandant on the subject.

Military Assistant.

Note

The Sawars in Mysore City are located near the General Hospital, while the Barr Sepoys are near the Jail. With a view to save the sick Barr Sepoys the inconveniences of walking to the General Hospital for treatment, the Military Apistant on the suggestion of the Chief Commandant, proposed in April 1898, that they might be ordered to attend at the Jail Dispensary (nearer their home) for treatment, the Hospital Apistant attached thereto being given an allowance of Rs 15/-, for the purpose. This arrangement, he added, was approved of by the Senior Surgeon —

Note dated 29th April 1898.

In January 1900, the Chief Commandant

Note dated 22d January 1900, No 10.

recommended the ap-
-pointment of a Sepa-
rate Medical Officer for
both the Sawas and
Barr Regiments with an
allowance of Rs 20/, but
the Military Assistant
considered the first pro-
-posal to be better, as
the Sawars were near the
General Hospital and
the Barr near the Jail-

The Offg: Dewan was in favor of the first proposal as the Barr were near the Jail, and asked for information as to whether any difficulty was experienced in the Sick Sawars being treated at the General Hospital, and also whether Hospital accommodation was available in both the lines- No 12929 dy 23. 1. 00.

The Chief Commandant having thereupon reported that the required accommodation was available, and having again urged No 1701 dy 2-2-00.
